### **PRAYER NEEDS:**

Pray for the Lord to **open many doors** and **soften many hearts** to receive Him as Savior.

Pray for God to **put His words in the minds and mouths** of His servants.

Pray for **each member of the team** to use his/her gifts mightily.

Pray for **God's mercies and protection** for all air, road and trail travel.

Pray that above all, **the Lord would be glorified and well pleased** by all that takes place and that HE would have HIS way in every step of this mission!

### **THE FACTS:**

According to a 2011 national census, 81% of Nepal's people are Hindu and 9% are Buddhist. Christians only comprise about 1.4% of the 30 million people who call Nepal home. Of these 30 million, the Joshua Project notes that 97% are unreached.

### **THE OBJECTIVE:**

To return to the Himalaya Mountains of Nepal's Far West and continue the work of C4C Mission: Nepal 2012 and 2013. To reach out to this remote area with the love and truth of Jesus Christ, and provide medical assistance as needed.
